CONFERRING OF DEGREES.

The Dean of the Faculty of Arts and Sciences, as representative of the Faculty Councils, presents them; The President, representing the University, receives their pledge of loyalty and fidelity; the Chancellor admits them to the degree. The Chancellor remains seated during the ceremony except when he rises to admit a Master or a Doctor.

The ceremony comprises three parts: a) PRESENTATION, b) THE PLEDGE, c) THE ADMISSION.

All those proceeding to degrees ( except ad eunden and higher degrees) take part in this ceremony.

PRESENTATION- The Dean of the Faculty of Arts and Sciences and all the candidates just mentioned rise. The Dean presents the candidates with these words: "Eminent Chancellor and President, on behalf of the Faculties I present to you these scholars and ask that they be pledged and admitted to the degrees to which they are entitled."

THE PLEDGE./The President, then rising, addresses the candidates in these words:- "Do you promise faithfully to observe and loyally to maintain the statutes, customs, privileges and liberties of this your University? Do you pledge your honor that when you become a member of Convocation you will vote only for those persons you surely know or firmly believe to be fit and proper persons to share in the government of this University? Do you solemnly promise to conduct yourself in all things loyally and faithfully to the honor of your University, the encouragement of learning and the good of your country?"

Each candidate replies:- "These things I pledge myself to do."

THE ADMISSION. The Chancellor then addresses the candidates in these words: "By virtue of the authority vested in me by the Legislature of this Province and with the consent of the Senate of this University I consent to admit you to the degrees to which you are entitled, and to invest you all with the powers, rights, and privileges pertaining to those degrees, and I charge you to use them for the glory of God and the honor of your country.

(Candidates sit down.)

Then the Dean of the Faculty concerned repeats the following words:- "I present to you --( giving candidate's name in full); and the candidate( B.A., B.Sc., B.Com., B.H.Ec., L.L.B. etc.) kneels and places his hands between those of the Chancellor's. Then the Chancellor says "I admit you" and the Registrar places the hood over the candidate's head. Hereupon the Bachelor rises and passes to the Chancellor's right.

When a candidate for a higher degree( M.A., M.Sc., B.Educ., etc.,) is being presented the Chancellor rises, and shaking hands with the candidate, thus admits him to the degree.

The ceremony for the admission of an Honorary Doctor indicates the desire to do honor to a distinguished guest. The Chancellor says " In recognition of your illustrious public service( or eminent services to Science or Literature) I desire, on behalf of the University to confer upon you the Honorary Degree of Doctor of Laws and to express the hope that our country ( or Science or Literature or Arts etc.) may continue for many years to be enriched and enobled by the devotion of your great gifts." Then the Chancellor shakes his hand, welcoming him to membership in the University. This is followed by the signing of the roll of Honorary Doctors.
